\* Excludes loaned employees. Includes expatriate employees outside MOL.

\*\* Scope of data has been changed in FY2023. until FY2022: Includes expatriate employees within MOL group. Excludes expatriate employees outside MOL group.

FY2023: Excludes loaned employees. Includes expatriate employees outside MOL. \*1 Injuries that leave aftereffects \*2 Number of lost time injuries occurring in a workplace per 1 million hours worked.

\*3 MOL uses "on board time" as denominator. These figures include occupational injuries and illnesses that did not result in disembarkation

but did not result in a return to work, including light work, on the day of the accident. The indicator also covers seafarers outside of the MOL Group.

\*4 Includes for temporary and temporary and contract employees.\*5 Total number of participants in each session. Includs for temporary and temporary and contract employees. \*6 Total number of participants in each session. Until FY2022, only office workers were counted. From FY2023, perticipants of seafarers are counted.

Includes for temporary and temporary and contract employees.

\*7 Total number of participants in each session. The target is seafarers on leave on ships managed by a ship management company in MOL group, including permanent employees in our group as well as employees of five partner companies.
